A Good Thing to Keep on Hand. From the Troy (Kan.) Chief. Some years ago we were very much subject to severe spells of cholera morbus; and now when we feel any of the symptoms that usually precede that ailment, such as sickness at the stomach, diarrhoea, etc., we become scared. We have found Chamberlain's Remedy the very best thing to straighten one out in such cases, and always keep it about. It is somewhat similar to the usual cholera cures, but seems to contain ingredients that render it more pleasant to take, and that do their work more quickly. Sheriff Devereux tells that he is subject to cholera morbus, and recently felt a spell coming on, when he obtained a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and two doses made him all right. We are not writing this for a pay testimonial, but to let our readers know what is a good thing to keep handy in the house.
